

Simcoe County Farm Fresh

Welcome To Simcoe County Farm Fresh!

Simcoe County Farm Fresh Marketing Association (SCFFMA) was formed as a grass-roots organization in 2005 and incorporated as a non-profit corporation in 2007. The association is made up of area farmers, producers, farmers' markets, restaurants, chefs, and caterers. It also includes other community partners in the health field, food security, government, hospitality & tourism, education, environment and economic development. All have an interest in raising the awareness of the importance of eating locally.

Our mandate as an association is to "Promote to consumers the environmental, economic and health and flavour benefits of buying locally produced food, and more specifically food produced and marketed within the County of Simcoe."
